## **JUNIOR + THE CHURCHILLS**

Pop-rock with a tweak, the Churchills sparked a couple matches in the heads of office space prisoners, touching themes of boredom and yearning on their 2002 release *Big Ideas*. After dropping their major label, the band self-released the album with a few lineup changes and grabbed the attention of critics across the globe with sparkle guitar and exploding melodies, as *Billboard* dubbed them "one of New York's best unsigned bands." Irving Plaza, at 8.
